FINANCIAL AND COMMERCIAL

MARKET WAS STRONG

New York, Aug. 17.—The fundamental position of the stock market was made evident today when more than a dozen new high records for the year were established in the moderate advance in prices which took place in spite of the absence during market hours of any new developments in the hard coal and rail strikes to influence the market.

Traders were inclined to be cautious before making extensive commitments, and there was a marked absence of rubbing, but the financial community confidence in an early settlement of pending labor troubles found expression in the steady absorption of investment securities at steadily rising prices.

Coal carrying railroad stock stood prominently in the dealings in that group, Lehigh Valley and Chesapeake and Ohio breaking through to new top prices, while Reading touched the highest figure since the Supreme Court decision confirming the right of preferred stockholders to take part in the reorganization plan. Northern Pacific, Chicago and North Western, common preferred, St. Louis and San Francisco and New Orleans, Texas and Mexico, also sold at the year's best prices.

Oil displayed marked strength on reports of an improvement in the crude oil situation, which was construed as an indication that further price cuts would not be necessary. Other contributors to the upward movement of oil prices are the continued decrease in Mexican production and the independent producers' strike which has cut off a large part of the output of the independent producers.

U. S. Steel was active again today in expectation of heavily increased production, touching 56, on only 1st day of the year's best price. Bethlehem, Lukens, Midvale, and Republic also bettered their positions, but Cradock was reactionary, suggesting disappointment of the prospect of a new record. The move of the directors to take dividend action on the common stock or announce the sale of additional common stock at par.

Pacific Gas and Electric and Consolidated Gas at gains of nearly two points or more featured the public utilities group. Sugars were in good demand, under the leadership of American Sugar which advanced more than a point to a new peak price.

Individual strong spots were International Paper and Union Bag and Paper, Postum, Corn Meal, Electric Storage Battery and Coca Cola.

Total sales were 600,000 shares. Call money opened and held at 3-4 per cent, and there was no change in the time money rates. The demand for commercial paper continued to be strong.

Demand sterling was in urgent demand in the foreign exchange market, rising to 4.45-1.8, or within a few points of the record high of 4.45-1.8. German marks fell to the extreme low record of 8-3-4 cents a hundred. French francs were heavy in the early trading but strengthened later.

Southern Railway

Chicago, Aug. 17.—Chicago and Eastern Illinois 5 1/2, Chicago and North Western 5 1/2, most of which were up 1 to 1 1/2 points. Market improvement was also noted in St. Paul (convertible and refunding) 4 1/2-5, Kansas City Short Line 4 1/2-5, Pennsylvania and Iowa Central 4 1/2-5.

An active demand for telephone bonds also developed during the day, special strength being manifested by Pacific Telephone and Telegraph 5 1/2, American Telephone and Telegraph 5 1/2, and the New England Telephone 5 1/2.

In the industrial field, the noteworthy issues were the Cuba Cane 5 1/2, International Paper 5 1/2, and the company 7-7 1/2 and General Electric 9 1/2.

French and Belgian bonds weakened in response to the fall in the exchange rate, but rallied later. British government bonds were firm. Our own Liberty bonds were under pressure, the 3 1/2-3 1/2 dropping 20 points.

Total sales (par value) were \$10,551,000.

With the exception of sterling, all quotations are in cents per unit of foreign currency.

Condition of New York Federal Reserve Bank. New York, Aug. 17.—The statement of condition of the Federal Reserve Bank of New York, at the close of business August 16, shows:

Chicago Grain Market. Chicago, Aug. 17.—Upturn in price for all grains took place today, owing largely to reports that drought and heat were damaging corn. Dealers who previously had been conspicuous sellers of wheat and corn executed a rapid change of front. The wheat market, closed firm, 1-7-8 to 2-3-8 net highest, with September 1.03 and December 1.04 3-8 to 1.04 1-2. Corn gained 1-2-5 to 2-3-8 1-2 and oats 1-2-5 to 2-3-8 1-2. The oats market ranged from 1c decline to 1c advance.

At first the wheat market showed a downward tendency which appeared to be related to adverse European financial conditions, especially a new low price record for German marks. It soon became apparent, however, that a much more powerful influence was the apprehension of the corn market, caused by persistent damage complaints from states of largest production. Soon the wheat market, too, began to climb in line with corn. The rise in values continued then throughout the day and wheat closed at the top most figures reached.

Export buying of wheat here was estimated at \$30,000 bushels, and it was said 700,000 bushels more had been taken at the seaboard mostly for deferred shipment from Gulf port to Europe. Another bullish factor was a falling off in primary receipts—perhaps because of the small amount of rain that followed the current, however, that the crest of the corn movement in the southwest had already passed.

Notwithstanding that rural offers of corn increased as prices advanced, the corn market advance gave no sign of being checked. South Dakota, Minnesota, Nebraska, Kansas, Oklahoma, Illinois, Indiana and Ohio were all said to be in need of rain. The fall of corn, provisions averaged lower with hogs.

WESTERLY

There is to be a public hearing on the proposed erection of a building across the Pawcatuck river by Andrew Plesner, a man which the selection of Stonington are interested for the people of this section. The hearing will be held today (Friday) at 1:30 o'clock in the Pawcatuck court room on Liberty street.

About 10 days ago a hearing was held in Westerly. The government brought the opinion of Westerly town council, but the decision has not been given, as the selection of Stonington asked to be heard. Major V. I. Petersen of the U. S. engineering corps, who is investigating, has served notice on all interested in the project to attend the meeting which is to be held today and present their views. Later on a joint meeting will be held between the selection of the town of Stonington and the Westerly town council members when probably some action will be reached. The government contends that this is navigable water they have a right to give or refuse permits for buildings. The recommendations of the town of Stonington town council will have some weight in the matter.

The officers elected for the year by the Watch Hill Improvement society are as follows: President, Mrs. David C. Anderson; vice president, Mrs. Samuel Kinsie; treasurer, Mrs. Henry B. Joy; secretary, Mrs. Edmund P. York; corresponding secretary, Mrs. William S. In all executive committee, president, vice president, treasurer and secretary, Mrs. John Newberry, Miss M. L. Howard, Mrs. Frank Turnbull, Mrs. Philip Stanley, Mrs. Andrew committee, Mrs. Harvey Cowen and Mrs. Robert B. Barrie. Consulting committee, Mrs. Walter Hope, Mrs. Geo. Babcock; agent, Mrs. Edmund York.

People who travelled on the 4:54 express from New York to Boston Wednesday were delayed. The train was sidetracked about an hour, waiting for an engine from Midway to come along for the 4:24 limited, which was disabled at Bradford. Some of the men, travellers put on bathing suits and went into the water for a swim, they used the baggage car as a bath house. When the engine came along, half an hour later, they were dressed and ready to "move on."

About 150 children gathered Wednesday afternoon on the playground provided and entered the athletic contest. The children did not seem to mind the intense heat and enjoyed the games immensely.

The First Baptist church, located at Ashaway will hold their conference Tuesday morning and continue through Sunday, Aug. 27. Six out of the eight living pastors will attend, they include Rev. Clayton Burdick, 1893-1904; Rev. Wm. Burdick, 1904-1911; Rev. Herbert C. Van Horn, 1911-1916; George Shaw, 1916-1918; Rev. D. B. Coon, 1918-1921 and Rev. Alva L. Davis, the present pastor. The Ashaway High school is the building where the children's services will be held every afternoon, but Friday and Sabbath day at 3 o'clock, in charge of Miss M. D. Kinsie of Shilluk, N. Y. A choir will furnish music under the direction of Albert Randall, assisted by Miss Ruth Phillips of Alfred, N. Y., and Mildred Burdick and John Turnbull of the Pawcatuck Seventh Day Baptist church choir and members will have charge of the music Sabbath morning, in the church. There will be speakers of note at the services.
